

EMERGENCY RULE  
Department of Public Safety and Corrections  
Louisiana State Uniform  
Construction Code Council  
State Uniform Construction Code  
(LAC 55:VI, Chapter 9)

In accordance with the provisions of R.S. 40:1730.22, and R.S. 40:1730.35, relative to the authority of the Louisiana State Uniform Construction Code Council (LSUCCC) to promulgate and enforce rules, the LSUCCC finds that an imminent peril to the public welfare requires adoption of a rule upon shorter notice than that provided in R.S. 49:953(A) as the provisional certificates of registration issued pursuant to R.S. 40:1730.35(D) and LAC Title 55, Part VI, Chapter 9, §903 will expire effective January 1, 2012. The expiration of these provisional certificates of registration will result in the loss of over two hundred (200) building code enforcement officers statewide. This loss of building code enforcement officers will result in a significant increase in the time it takes to have plans reviewed and construction projects inspected for both commercial and residential construction. The LSUCCC is proposing a ninety (90) day extension of these provisional certificates of registration to allow the affected building code enforcement officers additional time to comply with the certification requirements contained in LAC Title 55, Part VI, Chapter 7, §703. In order to avoid costly delays in both residential and commercial construction, it is necessary to adopt these emergency rules to have this exception in place until the affected building code enforcement officers have time to comply with §703. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953(B)(1) et seq., and shall be in effect until March 31, 2012. This rule is effective December 28, 2011. The Louisiana State Uniform Construction Code is amended as follows:

**Title 55**  
**PUBLIC SAFETY**  
**Part VI. Uniform Construction Code**  
**Chapter 3. Adoption of the Louisiana State Uniform Construction Code**

**§903. Employment prior to January 1, 2007**

A. . . .

B. The building code enforcement officers designated in Paragraph A above shall have until March 31, 2012, to satisfy the certification requirements as set forth in §703 of this Part. Officials availing themselves of this provision shall obtain the required continuing education units and have attempted at least one International Code Council certification exam by January 1, 2010. Failure to do either shall result in the revocation of that official's provisional certificate of registration.
